

Gate City Apostolic Network

2 Cor 1:3 What a wonderful God we have-he is the Father of our Lord Jesus Christ, the source of every mercy, and the one who so wonderfully comforts and strengthens us in our hardships and trials. And why does he do this? So that when others are troubled, needing our sympathy and encouragement, we can pass on to them this same help and comfort God has given us. TLB

Gate City Apostolic Network (GCAN) is a body of Ministers, churches and leaders or other Christian organizations that meet once a month with the purpose of fostering unity among leaders and churches for the effective, sharpening and supporting of one another in this journey of faith.

We believe in the leadership of the Apostolic and the direction of the prophetic to provide spiritual resources of collective Fatherhood in the Christian ministry and community, for a meaningful healthy relationship through seminars, retreats, conferences and workshop.

In these times of perilous ness, when many people go into ministry with wrong motives and hurts, ***we promote vigorously, yet diligent ministerial integrity*** so as to allow a clear distinction that builds hope, encouragement and confidence in the truth of God's Word.

This fellowship is not meant for control, or the subjugation of anyone's ministry, but to provide and encourage fatherhood and fatherhood responsibilities for and among members and also to seek out and help fledgling ministries.

We provide a healthy forum to conflict prevention and resolution as well as support in times of crisis, ensuring oversight by mutual consent for balance and maturity.

G. C. A. N'S. Purpose Is:

To provide spiritual resources of collective fatherhood in ministry as a basis for a meaningful and healthy relationship through seminars, retreats, conferences and workshops.

To provide a crucible of identification with members that serves as a ministerial covering as well, not only for the individuals but also for the assemblies.

To provide vigorously, yet diligent ministerial ***integrity*** so as to allow a clear distinction that builds hope, encouragement and confidence in the truth of God's word, "The Truth" in these perilous times.

To provide and encourage fatherhood and fatherhood responsibilities for and among members and also to seek out and help fledgling ministries; for together we build.

To provide a healthy forum for ***conflict prevention and resolution*** as well as support in times of crisis for the church member as well as the leadership.

To provide oversight, by mutual consent for balance and maturity. ***This is not for control***, nor subjugation of any ministry; on the contrary, it is to help ministries realize their full God-given potential and use for His praise. Also, with the consent of members, carry out ***ordinations and licensing*** authentic in every way and to ***maintain order through love!***
